7 September 2015

Dear Parent

We will be celebrating European Day of Languages in school on Friday, 25 September.

This year we will be focussing on French throughout the day with lots of different activities and games in French.

We are asking the children to come to school on that day in any French costume or dress in the colours of the French flag (blue, white, red). Costumes can be from any period in French history, past or present. For inspiration have a look at top 100 French people.

We will be exploring different vocabulary during the day, singing songs and learning rhymes in French with the help of some pupils from Belfast High School. At break time the PTA will be providing brioche and juice for each of the children at a cost of £1 per child. If your child has an allergy which would not allow them to have the brioche and juice please contact the school office. There will also be a special European menu for school dinners.

It is very important that our children get the opportunity from an early age to explore language and to realise that there is a big world outside Northern Ireland. I hope you will make every effort to support this event.

Regards

J LOUGHINS
Principal

WHITEHEAD PRIMARY SCHOOL
North Eastern Education & Library Board

I give permission for my child to receive brioche and juice and attach £1.
(Please attach to smiley face.)
