School Uniform

I really appreciate your support regarding uniform. I would really encourage you to continue that support through until the end of the school year particularly with the wearing of black shoes. Trainers are not part of the school uniform. It is not a problem for children to bring trainers to school with them that they can change into for sports day practices or lunch time.

Any lost property that is named will be returned to children. Unnamed lost property will be on the stage from Wednesday 3 - Friday 5 May. You are very welcome to pop in and claim any items which may belong to your children. Following these dates the remaining items of clothing will be given to the PTA for their uniform shop!
